Testimonial...

My husband and I tapped into the childcare expertise offered by Kidtabulous for a night on the town during NewYear's. We'd never left our 2 children alone for an extended period of time overnight, and we were concerned with how comfortable they'd be going to bed, knowing that mom and dad would not be home.

Kidtabulous provided us with a childcare expert who immediately put their unease to bed. Our kids were read to, played with, and cared for with the same attention that my husband and I would have given them.

When we arrived home in the wee hours of the morning, our babies were nestled into their beds. The following morning, they had sweet things to say about their sitter.

My husband and I don't go out often, but when we do, I wouldn't hesitate to call Kidtabulous to keep an eye on my little ones while we're away.

The logo for Kidtabulous is a circular emblem with a rainbow gradient. The text 'KIDTABULOUS' is written in a bold, sans-serif font across the middle of the circle, and 'Quality infant childcare' is written in a smaller, lighter font below it.

Témoignage..

My experience with Kidtabulous was fabulous. Trust, care and dedication are the three key words.

The whole team was fantastic with Wendie.
No problems or crying.

I highly recommend for your next event.
